Comments and observations from members of the public (NBComments from the public should be relevant to items on this agenda only)

Mr & Mrs Sheail – No 3 Mill Hill End - read out a statement to the Planning Committee. They advised that whilst they understood and supported their neighbours extending the property they would like to see the size decrease to lessen the impact on their property.

Mr & Mrs Aldridge – No1 Mill Hill End – have written to HDC with their concern and supplied the Planning Committee with a copy of the letter. The only objection they have is the bathroom window, as it overlooks their property and garden.

Mrs Chorlton – No 2 Mill Hill End (property owner) – informed the Planning Committee that she had discussed the application with her neighbours before submitting plans. She would be happy to obscure the bathroom window and change opening. They considered all options of where to place the extension and believe this was the best option and they considered the impact on their neighbours and that is why the upstairs is smaller.

Cllr P.B commented that he could not access the PDF on HDC website.

3. To consider any planning applications received including –

3.1 Reference: 16/00922/HHFUL, Proposal: two storey extension to dwelling, with single storey element to front and side, 2 Mill Hill End, Hilton.

The Planning Committee recommended this application for refusal because they support the comments received from number 1 & 3 Mill Hill End, requesting modifications to the side window and south west elevation.

G.B Prop, A.G 2nd, all Councillors were in favour.

4. Closure of Meeting
